EXCHANGE OF LETTERS CONSTITUTING AN AGREEMENT¹ BETWEEN THE GOVERNMENT OF NEW ZEALAND AND WORLD HEALTH ORGANIZATION FOR THE PROVISION OF ASSISTANCE BY THE GOVERNMENT OF NEW ZEALAND TOWARDS THE CONSTRUCTION OF THE PROPOSED NATIONAL INSTITUTE OF PUBLIC HEALTH IN SAIGON

I

2 October 1970

Sir,

I have the honour to refer to our recent correspondence under your reference Vietnam 0038, concerning your request for assistance from the Government of New Zealand towards the construction of the proposed National Institute of Public Health in Saigon, Republic of Vietnam.

In response to your request, I now have the honour to propose that the total professional costs of the three stages of architectural services for the proposed Institute, at present estimated at \$NZ 150,000, be shared equally between the Government of New Zealand and the World Health Organization, on the understanding that :

- (a) the three stages of architectural services comprise the preparation of preliminary design plans (already completed), the preparation of working drawings, detailed specifications and contract documents, and the supervision of the actual construction of the Institute;
- (b) the New Zealand contribution towards the total costs of architectural services will not exceed those at present estimated; and
- (c) this proposal will be implemented, where necessary, by appropriate administrative arrangements.

If the foregoing proposal is acceptable, I suggest that this letter and your reply to this effect should constitute an agreement between the World Health Organization and the Government of New Zealand to enter into force on the date of your reply.

¹ Came into force on 20 October 1970, the date of the letter in reply, in accordance with the provisions of the said letters.

Accept, Sir, the assurances of my highest consideration.
